**LETTER REQUESTING ACKNOWLEDGMENT
OF INFORMATION DISCLOSURE STATEMENT
FILED UNDER 37 C.F.R. § 1.97**

An Information Disclosure Statement was filed in this application on February 20, 2002. In reviewing our files, we find that the Examiner has failed to initial the Foreign Patent Document, Japanese Document No. 3072208, listed on the Form PTO-1449 which would serve as an indication that the document was considered by the Examiner. The Examiner appears to have crossed out the Japanese document on the basis that a translation was not provided even though the Applicant provided a statement of relevance. On September 15, 2004, Applicant also filed a Supplemental Information Disclosure Statement to submit Japanese Publication (KOKAI) No. 06-334800, including an English-language Abstract, the KOKAI publication corresponding to the

document lined through by the Examiner on the February 20, 2002 Information Disclosure Statement. We have not received from your Office a copy of the Form PTO-1449 which would serve as acknowledgment of receipt of the Supplemental Information Disclosure Statement and as an indication that the document was considered by the Examiner.

A copy of each of the Information Disclosure Statements, the Information Disclosure Citation on Forms PTO-1449, and of the postcards, that were filed with the Information Disclosure Statements and were stamped by the U.S. Patent and Trademark Office to indicate receipt of the papers, along with a copy of the Japanese document and English-language Abstract, is attached.

The Examiner is respectfully requested either to send the undersigned a duplicate of both copies of the Forms PTO-1449 or issue a Supplemental Notice of Allowability (PTOL-37) which acknowledges receipt of both of the information Disclosure Statements and the Information Disclosure Citation, and indicates that the documents were considered by the Examiner.

Respectfully submitted,
